

## Faculty Feedback on Course Changes

(From 1/10/21 Faculty Meeting)

COB Program:     Entrepreneurship    

Consider Changed curriculum, degree plan changes, improved handouts, textbook changes, improved case studies, improved use of technology, improved interaction, use of innovative technology, etc. Use as many pages as needed.

Course Name and Number:     Several    

Concern (s) Identified:

Added the following courses to the new major:

1. Spirit of Entrepreneurship – introduction to entrepreneurship
2. Social Entrepreneurship – for profit business models with quadruple bottom line impact
3. New Venture Creation – learn and apply lean startup methods for startups
4. Entrepreneurship (not a new class but part of the new major) – business planning
5. Creative Thinking (not a new class but part of the new major) – creativity and Innovation
6. Entrepreneurship Internship – apprenticeship with entrepreneur to receive hands-on experience running a business
7. Bootcamp – implement lean startup methods to reach product-market fit for a startup
8. Launch Pad – incorporation, systems, financing, etc. for product launch

Improvements Planned or Implemented:

None at the moment.

Date Planned for Implementation: \_\_\_\_\_

Or

Date Implemented: \_\_\_\_\_

What were the results of improvements?

Can you provide evidence of results/improvements? For example, change in test scores, change in assignment grades, SOS Student Comments, better SOS scores, etc.
