

**Articulation Agreement Between  
Oral Roberts University and Centro Biblico Yeshua  
February 2023-June 2026**

Oral Roberts University (ORU) and Centro Biblico Yeshua (CBY) share a similar mission of preparing students to reach their world with the Gospel of Jesus Christ and to demonstrate God's healing power through the Holy Spirit. Therefore, the two institutions hereby enter into the following articulation agreement which will commence on February 2023.

***Goals of the articulation agreement:***

1. A seamless transition process that allows students from CBY to transfer to ORU and receive the maximum allowable credit towards a baccalaureate degree.
2. Clear guidelines and degree plans that enable CBY students to effectively plan their transition from CBY to ORU and gain the maximum allowable credit.
3. Effective means of communication to raise awareness among CBY students of the opportunities available through this articulation agreement.

***Provisions governing the agreement:***

1. CBY students must meet ORU's minimum academic and admissions requirements in order to be considered for admission to ORU.
2. Under the current course matrix, CBY offers 37 classes that are eligible for transfer to ORU.
3. A total of 30 semester hours including the senior paper/project, must be taken at ORU.
4. All ORU general education requirements must be fulfilled in a student's degree plan.
5. Only courses with a grade of "C" or better will transfer. Remedial and developmental courses will not transfer.
6. Representatives from ORU and CBY will periodically update transfer and admission policies, ensure that appropriate information is readily available to CBY students, and work together to develop mutually beneficial arrangements between the two institutions.
7. Course transfers will be reviewed and evaluated based on the ORU Course and Instructor Qualification Policies and Guidelines.
8. Through ORU's prior learning assessment process, adult learners may receive up to 30 hours of credit for knowledge gained through non-college courses, on-the-job training, or personal studies. This is in addition to the articulated courses transferring from CBY.
