

How to start a Zoom meeting from your Smartphone

Open the Zoom app with your smartphone. You should see the following screen. If you have a meeting scheduled or started please click "Join a meeting "

If you have an invitation code or Zoom meeting code, Please type it in below. **If you or your students will have the device in your classroom, please hit "Don't Connect To Audio". If you do not do this, you will have feedback!**

This is how Zoom looks on a smartphone when a teacher shares his/her screen with students.
